

Eine Mail aus Lima/Peru

Von: Larry Alonso Zavaleta Yañez

Guten Tag,

Mein name ist Larry, ich bin 22 Jahre alt und whone in Lima, Südamerika.

Ich arbeite bei einem Reisebüro, dann habe ich viele deustch touristen und mein deustch noch nicht ganz gut ist. Deswegen, möchte ich nach Deutschalnd um Deutsch zu lernen fliegen.

I will continue in english because I don't want to make mistakes in german. I was looking your web site and I saw very interesting courses. I will basically start in Elementary 1 because I took the online test and the result was 16 corrects from 60 !! which is terrible I think.

I would like to sign on the courses but I have a couple of questions :

- What is the total time of study to know the language in an advance level ? one year ?
- I dont understand the prices. In an intensive course, the prices vary according with the time of study. For example : for a 2-week study the price is 191.40 euro while for 8 weeks is 696. Why is that ? in 2 weeks I will not see all the complete course ? is the 8 week course the most recommended one ?
- Regarding stay. I dont have any relative there in Germany so I want to know if you can provide me with some stay with a german family. is that possible ?
- Is there any way that I can find a part-time job in the afternoons so I can pay part of the studies and also to live well ? I dont know, in the library or whatever ?

Sorry for the questions but the ISK was a good recommendation of a good friend of mine who studied there in 2003-2004. He recommended me Mr Michael Gehrlack, I don't know if he's still there.

Well, please let me know your comments regarding my doubts so I can take a good decision.

Mit freundlichen Gruessen
